

**2013 McMILLAN MOTORSPORT
CATERHAM GRADUATE
CHAMPIONSHIP**

MSA Permit No. CH2013 / R038

**OFFICIAL BULLETIN #01
ISSUED BY BARC – 15th APRIL 2013**

Please Note:

Regulation 5.10.1(iii)(c/d) of the Technical Regulations permits all classes of the championship, except Classic Graduates, to use an alternative high-level mounted brake lights. The specification for these lights was not available when the Regulations were issued. This bulletin is to advise you that the permitted high-level brake lights are now available as Caterham Cars part number 30L170B. These are a plug-in replacement for the standard rear-wing mounted light cluster; a full kit including switch and front/rear wiring loom is available as part number 30L170A.

These new lights, or the standard rear-wing mounted light cluster, must be used by all cars in **all this year's remaining rounds** of the championship.
No other brake light system is permitted.
